Comments: Goal Achievement at completion: None / Proficient / <u>Mastery</u> Jen provided a carefully constructed, comprehensive, thorough, and detailed training for BBBS staff that took staff's interest areas, desired growth topics, and company needs in to consideration. Jen utilized a survey to gather data before customizing a training to meet our needs. Jen provided not only the training, but ongoing resources for staff, including a Google Drive and shared folder. Jen exceeded expectations and showed that she is beyond proficient and is moving towards mastery. Zoom training are incredibly challenging to do and she navigated a complex format extremely well. Our staff provided positive feedback and felt they took away valuable information as a result of the training. Jen additionally was instrumental in the success of our recent fundraising event, obtaining in-kind donations, and finding opportunities for recruitment and partnership with local businesses. Jen was a joy to have and I will miss having her very much!
