I agree to conduct, to the best of my abilities, the practicum as described above. Further, these activities will be in accord with my professional needs and interests, advice and counsel of my University Coordinator, and the policies and practices of the Department & University of Louisville. I shall maintain a log of activities associated with my practicum, along with developing other materials necessary to successfully satisfy the learning objectives. I will write a report detailing how the goal and learning objectives were met and the level of mastery achieved.
