Summary

I am a Corporate Paralegal with over 17 years experience as a legal professional with a robust background in managing complex legal operations, document drafting, and case management. An expert in enhancing efficiencies that support the organization's mission, development, and effectiveness. Significant experience in managing corporate compliance and enhancing administrative processes to elevate organizational practices. Proven ability in coaching, mentoring and problem-solving, combined with professional certifications and a Bachelor's Degree in organizational leadership, training, and development. I am seeking an Organizational Development Consulting position where I can make a dynamic and impactful contribution towards strategic development goals.

Key Achievements
